## **Eidco Construction Completes Pharmacy Retrofit for United RX**

### **Portion of Former Fitness Center Converted to State-of-the-Art Pharmacy Site**

**CARMEL, Ind. (June 1, 2012)** – Eidco Construction, one of the fastest growing general contractors in the United States, today announced the completion of a 5,000-square-foot retrofit project at 2325 Pointe Parkway in Carmel, Ind.

Serving as general contractor, Eidco converted a portion of the building, formerly a fitness center, into a state-of-the-art pharmacy facility for United RX, a full-service, independent, long-term-care pharmacy company.

“While the conversion of this site provided us with a unique challenge to meet the client’s requirements for a leading-edge facility, we are pleased to announce that the project was completed on time and within budget,” said Chez Eider, CEO of Eidco Construction. “United RX provides necessary and vital services and we hope to continue this working relationship on future projects.”

Architectural firm Carson Design designed the project under the direction of Eidco Senior Project Manager Larry Vivoda.

United RX provides services to over 60 facilities consisting of skilled nursing facilities, assisted living communities, youth homes, intermediate care facilities for the developmentally disabled and hospice.

#### **About Eidco Construction**

A leading general contractor and construction management company, Eidco Construction is experienced in the building of commercial construction projects as well as residential developments. The firm provides pre-construction, construction management, "fast track" building and design+build services.
