Chicago -- Eidco Construction announced that the firm has won a 65,000-sq.-ft. renovation project at the Westgate Mall in Brainerd and Baxter, Minn.

Currently in progress, the project was designed by Chipman Design Architecture, in collaboration with Ringdahl Architects, and involves a number of interior tenant improvements, along with exterior façade work and the construction of a building addition.

The 260,725-sq.-ft. Westgate retail center has a tenant roster that includes anchor tenant Herberger's Department Store, Dunhams, Big Lots and a 10-screen movie theater.
