**EIDCO CONSTRUCTION NAMES KEVIN O’LEARY SENIOR CONSTRUCTION  
MANAGER**

*Industry Vet Brings Experience in Project Management and Client Relations*

**CHICAGO, Ill. (June 15, 2011)** – Eidco Construction, one of the fastest growing general contractor companies in the United States, today announced that the firm has hired Kevin O’Leary to serve as senior construction manager.

O’Leary, who has more than 12 years of experience in construction management, will oversee a diverse mix of projects throughout the United States.

“As our portfolio of projects grows, it’s important that we expand the Eidco team by courting the construction industry’s top professionals, and Kevin certainly fits into that category,” said Chez Eider, CEO of Eidco Construction. “Over the past decade, he has established himself as one of the industry’s finest project managers. We’re thrilled that he has made the decision to come aboard.”

Prior to joining Eidco, O’Leary served as project coordinator at Orren Pickell Designers & Builders, where he handled project management and client relations, as well as guiding clients through multi-million-dollar improvements and new construction projects.

“Eidco is a company that I’ve admired from afar, so it’s extremely exciting to have this opportunity to contribute to the company’s success,” O’Leary said. “I look forward to embracing this new challenge, and hope my expertise will aid the company’s growth.”

O’Leary is a graduate of Southern Illinois University’s School of Business, and is certified as a Designated Erosion Control Inspector and as a Lead Safe contractor.
